We are a national mailing list broker drawing from national database resources. We provide complete mailing services and can generate nearly any type of mailing lists you may require. Resident mailing lists included in this package pricing are single family dwelling units with resident names. Demographic lists have increased sophistication and complexity targeted to a specific audience. These rates assume that the lists will qualify for high density postal rates, if not additional postage may be required. Please contact us for details and information regarding custom lists.

**Nearest Neighbor<sup>sm</sup> Mailing:** For the price of a postage stamp we will identify 200 residents around an installation then imprint, personalize and mail your four color brochure to their homes. \$92.00 for 200 pieces.(\$.46 each) Telemarketing list is available for \$10.00 per installation. We can also mail entire carrier routes or do a geographical radius around a job site.

**Example:** If we were to mail 200 pieces to 5 different areas using your piece the cost would be: 5 areas mailed @ \$92.00 each \$ 460.00
